

28th September 2024 - Business Sponsors Support Oakland Foundation Charity Ball

The Oakland Foundation and our sponsors are looking forward to the Charity Ball at the Crowne Plaza, Stratford Upon Avon on Saturday 28th September.

Crowne Plaza in addition to supporting the event, hosted by our key sponsor family business and total supply chain solutions provider Oakland International, will be sponsoring the guests' drinks reception for the evening.

Oakland Foundation trustee Luke Attwell expressed his gratitude: "We want to extend a massive thank you to all who are attending the Charity Ball and offer our thanks to **Oakland International**, the **Crowne Plaza** and to our sponsors **SPAR UK**, **Renault**, **Coolways**, **Avanti Packaging**, **R Recruitment**, and **IMA Cooling Systems**, whose generous support is vital in making this event so successful.

"As well as creating and gaining business awareness and participation, we are hoping to raise as much money as we can for the Foundation from the evening."

The Oakland Foundation supports children under the age of 16 and their families through initiatives based around education, health and nutrition, and sport, with their aim to ensure children, irrespective of social background or physical ability, can participate.

The Oakland Foundation has funded projects worth more than £475,000 aimed at supporting underprivileged children and strives to enhance the lives of even more young people by raising awareness and collaborating with more businesses on specific projects and targeted initiatives.

"We are technically sold out for the event, which is amazing news, however the venue has been very accommodating in trying to make room for the odd couple of spaces from those still keen to attend closer to the event, so please do get in touch!" added Luke.
